Welcome to Year 12 for 2014.

The Transition Program is on Monday 9th and Tuesday 10th December, 2013.

Please arrive at school at 8.30AM. Collect your timetable in the Gallery and then take a seat in the Auditorium. The day will begin with an assembly where you will be addressed by the Principal Michael O’Brien and Year 12 Manager Joel Guye.

Over the two days you will attend a class in each of your subjects where you will begin your studies and receive holiday homework.

As the canteen has closed for the year, we will provide a BBQ lunch on both days of the program. Please feel free to bring food to eat during recess. You will be treated to a music gig run by Swinburne students and staff and other activities across the two days.

Tuesday will conclude with the final Year 11 Mentor session for current students where you will meet with mentor and collect your school magazine. Unit 2 reports will be published on Compass. Students new to Swinburne for 2014 will meet with the Year 12 Managers at this time and will have the opportunity to ask any questions about the college.

It is compulsory to attend the Transition Program. If you are unwell or know that you will be absent for other reasons, please contact a Year 12 Manager on 8862 4400 so that we can arrange for you to make up the work you have missed. It is very important that you begin your Year 12 in a positive and pro-active manner.

We look forward to seeing you in December.

Joel Guye
Heather Mauder
Peter Fowler

(Year 12 Managers)
