| Transformation Techniques (9+++) Snapping, morphing/melding, giving and taking, action and reaction, use of production areas, use of a sound/word, use of an action or gesture, use of heightened language, and repetition. Actors also explore the speed of the transition, for example slow-motion, fast-forward or reverse. Symbol may also be applied. YOU CAN ALSO USE OTHER TRANSITIONS, AND COMBINATIONS!! |
| Find any Youtube clip/movie/tv show that involves a transformation. Eg. Jim Carey <i>The Mask</i> , United States of Tara, Werewolves transforming in <i>How we live in the Shadows</i> Describe the transformation!!   |
