

# SWINBURNE SENIOR SECONDARY COLLEGE

Hawthorn East

## Update

Dear students, parents, carers and our wider school community,

In the 2021-22 State Budget the Victorian Government invested \$11.503 million in Swinburne Senior Secondary College. The Commonwealth Government allocated an additional \$8 million for the Fritsch Holzer Park redevelopment.

We have also recently received an additional \$3.226 million from the Victorian Government to assist with building the two-court competition-grade gym and upgrade the oval. The gym will replace the current recreation centre at the Camberwell Road campus.

The new gym for Swinburne Secondary College will strengthen community use and provide students with access to state-of-the-art facilities in which to learn and play.

We are pleased to announce that a builder has now been appointed and works have commenced.

We will keep you updated on the construction progress.
